## AN EXPANDING GLOBAL FAMILY

Jacobs Holding is the main investor for Colosseum Dental, offering constant economic support to the Evergreen foundation. Jacobs will keep realizing inversions of great value to save patients' care, maximizing our teams' commitment to become a vital part of our communities.

Colosseum Dental Group is present in 11 countries in Europe. We are the dental group with more growth in Europe, operating in more than 575 clinics in collaboration with more than 4.000 dentists. Jacobs works with the ambition and objective to become the sustainable global leader in the industry of odontology in the next few years. All that without losing our personal touch with our patients. Furthermore, since 2019, Jacobs Holding has done more than 200 surgeries in the US with North American Dental Group.

## WELCOME TO COLOSSEUM DENTAL GROUP

If you are juggling various options to perfect your career and you are open to a long-term plan, then stop looking for other answers. Colosseum Dental is one of the leaders of the odontological industry in the north of Europe.

FOUNDATION**

**£500m**

GRANTED

Education and youth's development have always had an important role in Jacobs Foundation, the only economic beneficiary in the company's investments. One of the biggest charitable institutions in the world.

The foundation works to support, in a sustainable way, the future generations by improving their opportunities to develop, which allows them to become responsible members of our current society.

### PgO UCAM & COLOSSEUM'S CAREFULLY CRAFTED CV.

If you are considering continuing your career in Europe, Colosseum Dental will provide all the help you need. Both to move and to go through all the stages of your training. E will be with you in each step of the journey.

PgO UCAM is classified in the 3 best programs of European Master's Degrees with a wide range of specialties in odontology. #### PROPOSITION FOR THE UK

Each case will be studied individually considering the experience and circumstances of each candidate.

PgO UCAM and Colosseum Dental share the same values:

we care about our patients, our people and our community. We have a passion for odontology, because of that we try to offer the highest level of clinical care. We take a constant approachment to sustainability in the industry while, at the same time, investing in the best team with us to guaranty an excellent treatment for the patient.

We promise you to be by your side to help you significantly in the economic side while you're with us.

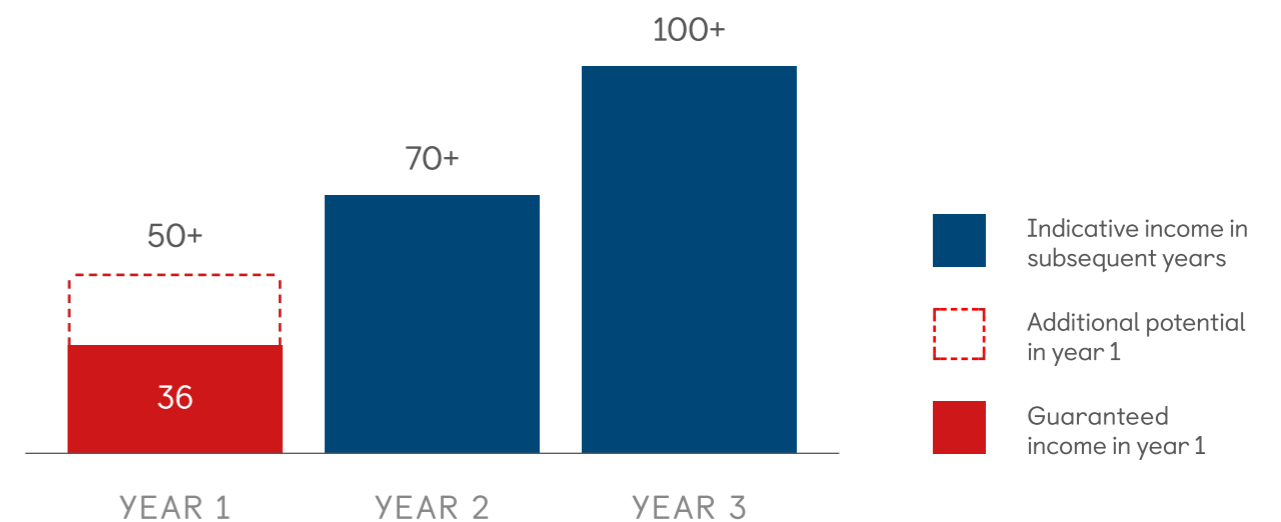

- We will pay 50% of the PgO UCAM Master's Degree (180 ECTS) of your choosing.
- We will cover the costs of your IELTS language exam and the enrollment fee up to €1.000.
- We also offer €5.000 to cover the expenses of moving to the UK and help you in your transition to the country.
- Furthermore, we offer 2 to 3 clinical practices and trips around the country

- We guaranty an income of a minimum of £36.000 in your first year once you've gotten your NHS number.
- We will defray a monthly £1.000 scholarship during your first year to help you pay for your residence.
- We will pay for your civil liability insurance during the first year of your stay, corresponding to £2.500.
- We will take care on 50% of the cost of your flights back to Spain in your second and third year while you're working with us to finish your master's degree.

And what's more important: you will have guaranteed stays in Madrid with Pharmarecs, who has vast knowledge of the industry both in Spain and in the UK.

Moreover, we'd love for you to stay with us in Colosseum Dental Uk for, at least, 2 years. Then, if you want to pursue your career in Colosseum anywhere else, we can give you opportunities in our constantly growing global network.

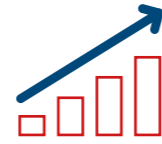

### YOUR EARNING POTENTIAL LOCAL CURRENCY ' 000 (£, €)

## WHY CHOOSING COLOSSEUM?

We will be with you every step of the way, giving you financial support while you begin your training in PgO UCAM. Moreover, once you have completed your training in Spain, we will provide you with a post in one of our clinics, as an associate.

Our centre in Oslo supports the development of the "Colosseum Ways of Working."

During your time with us, it is possible your income potential will have increased. You will also have access to continuous training and education. We focus and invest on your education through a constant development of your abilities, exchange of knowledge and continuous professional development (CPD). We provide CPD to our entire team, with minimum costs for our dentists through Colosseum Dental Academy.

We also have a headquarter in Oslo, Norway, with a conference room, facilities for practices, microscopes, cameras, 3D materials and more. All this helps us support our doctors in their continuous professional training.

### **WE HELP YOU WITH THE PROCESS**

There's no doubt that this can be a very long process, but we will be by your side at every moment to support you and help you throughout this journey that will take you to join one of our clinics. The first step is to choose what path is the one for you.

### **SUPPORTING YOU FROM THE BEGINNING**

We understand a new life in a new country is exciting, but there's a lot to consider. Be sure that we support many dentists and their families so they can take on this journey for a new life. That's why, when you join Colosseum Dental, we will be there to guide you and help you in every step.

**In summary, we have the facilities to help you in your professional career.**

## FURTHERMORE

- You start working during your designated practices.
- We continue to support you in your professional and personal lives.
- We will adapt your schedule so you can attend PgO UCAM courses.
- Integration and training programs adapted to each country with guaranteed minimum wage in the beginning and projection to help you launch your career with Colosseum Dental.

- Usually, getting a €120.000 salary is pretty easy.
- Once you have completed your Master's Degree with PgO UCAM, you can opt for our mobility model. Currently, we are present in more than 11 markets, both in Europe and in North America.

## READ OTHER PEOPLE'S EXPERIENCES:

"I completed my Master's Degree in PgO UCAM and had a very easy transition to like in the UK, thanks to Colosseum's support I have an amazing mentor. The team for clinical training has been amazing. I'm enjoying my new life in Brighton and I'd recommend the path I've walked to other people wanting to expand their horizons."

Miriam Gutierrez, UCAM alumna and Associate Dentist, Portland Road Dental Clinic

"Colosseum Dental gave me so much support during my move to the UK from Spain, they even helped me to get my dentist affiliate number and documentation. Later on, they offered me a course, so I'd get familiarized with the protocols of the NHS. My tutor and colleagues were very caring."

Dr Davinia Serrano, Associate Dentist, Wellsbourne Dental Clinic

"My first working experience in the UK was with Colosseum, working with them was a great decision. I was impressed by their organization, productivity and efficiency. Furthermore, the HR team was constantly there to support us. My personal mentor made me feel part of the family immediately and they opened my mind to this new learning environment. I was always encouraged to ask questions and I was able to learn a lot more than I could ever imagine. I can't be more grateful."

Dr Andre Elnazir, Associate Dentist, Triangle Dental Clinic

"Going from Spain to the UK to start a new life can seem like a challenge, maybe it is, but since the first day my colleagues made me feel like home. I was always interested by Colosseum and the way they approach their courses, but after working with them, what I've enjoyed the most is working with my colleagues."

Dr Javier Olucha, Associate Dentist, Well Street Dental Clinic
